About the NCHL Gail L. Warden Leadership Excellence Award Event

This celebratory event will connect you with more than 250 event attendees from the healthcare ecosystem, all equally committed to advancing the mission of NCHL and honoring the profound impact of the 2023 awardee. ***NEW*** Additionally, this year we're excited to also honor the 2023 NCHL International Healthcare Leadership awardee at this event.

The **Gail L. Warden Leadership Excellence Award** was named in honor of Gail L. Warden, founding chairman of NCHL, president emeritus of Henry Ford Health System, and one of healthcare's foremost leaders. This distinction recognizes his remarkable accomplishments as an innovator in healthcare delivery, community wellness, and health policy, and as a mentor and inspiration to future generations. This enduring tribute is in recognition of Mr. Warden's leadership legacy. This award is given to an individual who has made significant and lasting leadership contributions to the health and healthcare field and will be announced in late summer.

The **NCHL International Healthcare Leadership Award** honors a leader whose commitment, values, and contributions have made a significant and positive impact on the provision of healthcare across international borders.

This year's event, held on Tuesday, November 14, 2023, will be hosted along the shore of Lake Michigan at the Field Museum of Natural History in Chicago. The event will begin around 6:00 PM with a reception, followed by dinner and the award ceremony.
