About the NCHL Gail L. Warden Leadership Excellence Award Event

This celebratory event will connect you with more than 250 event attendees from the healthcare ecosystem, all equally committed to advancing the mission of NCHL and honoring the profound impact of the 2022 awardee.

This leadership award was named in honor of Gail L. Warden, founding chairman of NCHL, president emeritus of Henry Ford Health System, and one of healthcare's foremost leaders. This distinction recognizes his remarkable accomplishments as an innovator in healthcare delivery, community wellness, and health policy, and as a mentor and inspiration to future generations. This enduring tribute is in recognition of Mr. Warden's leadership legacy.

This award is given to an individual who has made significant and lasting leadership contributions to the health and healthcare field. This year's event, held on Tuesday, November 15, 2022, will be hosted along the shore of Lake Michigan at the Field Museum of Natural History in Chicago. The event will begin at 6:00 PM with a reception, followed by dinner and the award ceremony.
