US COOPERATIVE FOR INTERNATIONAL PATIENT PROGRAMS

2026 USCIPP Program Overview & Prospectus

The US Cooperative for International Patient Programs (USCIPP) is a consortium of American academic medical centers, hospitals, and health systems with international programs. USCIPP fosters peer-to-peer learning and organizational improvement through collaborative initiatives, the continuous and open sharing of knowledge and industry best practices, and the creation of platforms that empower program members to collectively achieve the consortium's primary goal of expanding global access to US expertise in high-quality healthcare. USCIPP represents American hospitals that have a focus on international business and includes many of the United States' top medical institutions.
